

## Joe Williams Leadership Award

"Joe worked in the transportation industry for over 40 years. In 1995, Joe started in the Roslyn School District as a bus dispatcher. During Joe's tenure at Roslyn, he became an SBDI, a 19-A Certified Examiner and joined NYAPT as an Active Member. Joe remained an Active Member where he supported NYAPT by sitting on many committees and serving NYAPT's Board of Directors until his health declined.

In 2000, Joe was awarded the lead transportation position in the Farmingdale School District. From 2002-up until his passing, Joe served as President (twice), President-Elect (twice), Vice President (twice), Past President (twice) and State Director of NYAPT (twice). When Joe was not sitting as the Director, he sat as Nassau's Alternate Director fulfilling over 10 consecutive years on the NYAPT board.

In 2017, Nassau NYAPT created a Leadership Award. This was created for Joe so that he would always have a legacy in our great Chapter & Association. He was the first to be honored with this award which is now held as Nassau NYAPT's highest honor. After Joe's passing, the Nassau Board of Directors voted unanimously to re-name this award to the "Joe Williams Leadership Award". "
